WINCORE[®]
WINDOWS & DOORS

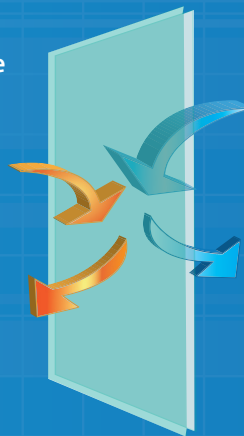

The way it should be.™

Energy Performance

500 series patio doors feature standard Low E glass and an Argon gas-filled insulating glass unit. Low E glass helps maintain even temperatures inside the home in all climate conditions. For even more efficiency, double Low E is an available option.

Keyed Lock
Allows the door to be locked and unlocked from outside.

Single-point Locking System
One handle secures door.

Tandem Rollers
Ensures all operable panels move smoothly and efficiently.

Integral Fin & J-channel
Promotes easy, efficient installation.

*Lifetime
Limited
Warranty*

Premium Vinyl
Color is molded completely through the UV-resistant vinyl profiles to make the door essentially maintenance-free.

Panel Options
Available as a 2-panel or 3-panel door.

Features

Fusion-Welded Frame & Panels Mitered corners result in strong, resilient, weather-resistant units.

Chambered Profiles Honeycomb, hollow chambers throughout the vinyl profiles provides increased strength as well as thermal efficiency.

Reinforced Lineals Vinyl profiles are reinforced with 12-gauge steel for maximum strength.

Double-strength Tempered Glass Strength and overall performance is multiplied.

Corrosion-resistant Rollers Optional, stainless steel rollers on operating panels help enhance smooth operation and are great for coastal areas.

Vinyl Threshold Cover Helps prevent dirt and debris build-up.

Weatherseals Multiple lines of weatherstripping around each panel helps for a weather-tight seal.

Tinted Glass Available with Tinted Bronze or Tinted Gray glass.
